PRELIMINARY AMENDMENT

Prior to examining this application following a request for continued examination filed on March 29, 2006, please amend the claims as shown starting on the following page. A Credit Card Payment Form for $100 accompanies this amendment. This is to pay for the addition of one independent claim, bringing the total number of independent claims to four. Four additional claims in total have been added. However, since four dependent claims (i.e., Claims 57, 58 and 78 and 79) are herewith cancelled, the total number of claims remains unchanged.
